

Term 2 ESL Assessment Tasks:

Year 11		Year 12	
Oral PPT presentation: 4-6 minutes	<p>Students present a talk in which they convey information about, and express their opinions on, a current issue or topic of personal interest related to the theme of the program. They include reference to how they located, recorded and evaluated ideas, information, or opinions from the texts used.</p> <p style="text-align: center;">Due: Friday 24th May (week 4)</p>	Recorded 6 minutes discussion	<p>Individually, students demonstrate knowledge of the issue they have studied through a discussion with their teacher. They are expected to present information and to explain and substantiate their opinion of the issue with reference to the texts they have studied.</p> <p>Students are asked open-ended questions that require extended responses. They do most of the talking, with an emphasis on the spontaneous use of language to give appropriate responses to the teacher's questions or comments.</p> <p>Examples of topics may include health issues, environmental issues or other youth issues.</p> <p style="text-align: center;">Due: Friday 24th May (week 4)</p>
Oral PPT presentation: 4-6 minutes	<p>Students interview one or more people of a different generation than their own about some aspect of life (e.g. use of technology, entertainment, education or an area of interest to the student). In an oral presentation, the students then reflect on, and evaluate the interview and the processes used and answer questions.</p> <p style="text-align: center;">Due: Thursday (week 6)</p>		Written report 500 words
Written report 500 words	<p>Students conduct research on a topic related to the interview (e.g. technology in earlier times). They make notes while undertaking the research and then produce a written presentation based on the research. Students negotiate the topic and type of written presentation with the teacher.</p> <p style="text-align: center;">Due: Friday 7th June (week 6)</p>
