

Stage 1 ESL

Text production: oral presentation

PERSUADING *an* **AUDIENCE**

Task:

You have written a letter related to an issue in the news. Now you need to present your research to the class and persuade us of your point of view. The first half of your presentation should include the key information related to this issue in the news. The second half should give your opinion.

Your presentation must:

- Present the original article that you responded to in the letter task
- Clearly outline all information and points of view related to the issue
- Persuade the audience to some action related to this issue
- Use clear and accurate English with appropriate academic vocabulary

Presentation: Oral presentation with Power Point slides (at least 4). You may use notes but you will lose marks if you read too much.

Time limit: 6 minutes maximum

Weighting: 20% of final grade

Due date: Friday 14th Nov (week 5)
